

# CHRISTIE PURTLE | ACCOUNT MANAGER

QUALIFICATIONS General Insurance Tier 1 Compliance

## UP CLOSE

Outside of work, Christie's happy place is at the gym, where she loves lifting weights. Otherwise you'll find her spending time with family and friends, catching a live gig, or going camping with her teenage daughter.

Christie Purtle is an insurance professional who has **worked in the industry for 15 years**. Throughout her career, Christie has built a reputation for being a **strong advocate for her clients, always putting in the hard yards to ensure they get what they're entitled to**, and never hesitating to go into bat for them when needed.

She started out working in tele-claims for a large insurance company in Melbourne, before later joining a brokerage where she worked in claims, and then as a broker. After a move north to the Gold Coast, she **worked with a large brokerage** as a broker's assistant, **gaining experience across domestic and commercial insurance**.

After her daughter was born, Christie explored a career change and worked in childcare for a number of years, but **always felt drawn back to insurance**. She returned to the industry, and over the past decade, **has grown her career across a number of brokerages, working across a range of insurance areas**, including a specialist role in transport and logistics.

Christie joined the Knightsbridge team in March 2023 as an Account Manager, and has hit the ground running in **supporting her clients with their policies**.

As a broker, Christie is passionate about **going the extra mile to learn the intricacies of her clients' businesses to ensure she thoroughly understands their needs**, and therefore, how to ensure they're best covered.

She gets deep satisfaction in knowing that if something goes wrong for her clients, **the policies she has put in place will be there to support them** and help them get back on their feet.

"I genuinely take the time to learn a client's business, which is what allows me to make sure they're adequately covered. I understand it's their livelihood and will always do what I can to ensure they are looked after and supported."
